OUTDOOR ESCAPE

An Exciting Week of Outdoor Activities for Grade 6 Graduates!

Outdoor Escape is a 5-day program designed for **Grade 6 graduates**.

This program will give students the opportunity to grow and learn in an outdoor environment. The goal of Outdoor Escape is to help students prepare for future Gould Lake programs, by providing the opportunity to gain confidence in their skills and abilities and allow them to learn how to work within a team environment.

Days will be spent at Gould Lake (we refer to these day-camp days as “Barn Days”). During this time, students will be learning and gaining new skills including campcraft, canoeing, navigation, and team building. On Day 4, students will have the opportunity to take part in an overnight at Gould Lake.

Bus transportation is provided to and from Gould Lake each day. All food and equipment (i.e. canoes, PFD’s (lifejackets), paddles, tents, and packs) is provided for the overnight at Gould Lake. Students are required to bring their own sleeping bag and personal gear as well as lunches and drinking water for the 4 days prior to the overnight. We will provide dinner on the overnight as well as breakfast and lunch on the final day.
